KS1 Coal Mining and Local Industry topic

Dear Parents/Carers,

After the Easter break, the children in Key Stage 1 will be looking at local history, and in particular the importance of the coal mining industry in Hucknall and its surrounding areas. We need your help!

If anyone has a relative who was involved in this industry, we would love to hear about it and find out more! We want to make our learning as relevant to the children of Edgewood Primary School as possible, so we would welcome any photos or information you may have.

If you have anything you are able to share with us, please could you let your child's teacher know so that the information can be passed on.

Thank you!

The Key Stage 1 team
