## Supporting Parents Understanding children with SEND and how the Academy support children with SEND.

An opportunity to meet and greet other parents who have children with SEND.

We are pleased to announce **The Holgate Academy** have organised a number of events to enable parents and carers that have children with SEND to meet each other and our team at the Academy, enabling us to show case how we support children with SEND.

You will find the events timetable on the following pages. Each session is led by The Holgate SEND team and specialists who are also invited to the events. We hope you can attend, it will be a great opportunity to share strategies/ideas and support each other.
