Dear Parents/Carers,

I thought it would be a nice idea to do something different with the children whilst they are in school and give them a new experience. I will be taking each 'bubble' out in to the wooded area within the school grounds. I will show them how to make a small fire to boil water and make a hot chocolate for them. The children will be social distancing at all times. I will be the one lighting the fire but I will get the children to help me build it using sticks. Each child will have a hot chocolate and a biscuit at the end of the session. If your child has any allergies please let me know. Likewise, if you have any questions please feel free to get in touch.

The sessions will only be taking place on a Tuesday. Therefore, I will send a text message the day before to let you know that your child will be taking part in the forest school session the following day. I would appreciate it if you could send your child in trousers and a long sleeve top that day.

Many Thanks

Claire Holmes
